## Turning Point USA Announces 'You're Being Brainwashed Tour'

*The 'You're Being Brainwashed Tour' is coming to college campuses nationwide this fall semester featuring TPUSA Founder and CEO Charlie Kirk and other special guests*

**PHOENIX, Aug. 27, 2024** — Turning Point USA is empowering college students across America through the "You're Being Brainwashed Tour," arming them with the principles and tools necessary to fight against the pervasive, leftist indoctrination found on most campuses.

TPUSA Founder Charlie Kirk is hitting the road again to share why it is crucial, now more than ever, to think critically, ask questions, and challenge the left-wing orthodoxies espoused by the vast majority of college professors and administrations.

**Charlie Kirk, Founder and CEO of Turning Point USA:**

*“As we head into the fall semester of 2024, an election cycle, the lies, propaganda, and inversion of the truth online and on campus are almost too numerous to track or comprehend. The all out assault on the truth we’re living in right now is unprecedented. Millions of Americans are being brainwashed and led to believe the opposite of what’s real. From immigration and the economy, to science, biology, and faith, the conservative position on these topics is either completely absent, or so contorted and misrepresented that young people aren’t being afforded the opportunity to make informed decisions about what they believe. This tour is about changing that. If you’ve ever wondered what the other side believes, this is your chance to see it up close and in person. And if you disagree, you’ll be given the chance to make your position heard because free speech is the bedrock of freedom in the West.”*

**The campuses participating in the tour include:**

<i>Sept. 5</i>	<i>University of Wisconsin</i>	<i>Madison, WI</i>
<i>Sept. 10</i>	<i>University of Colorado</i>	<i>Boulder, CO</i>
<i>Sept. 11</i>	<i>University of North Texas</i>	<i>Denton, TX</i>
<i>Sept. 13</i>	<i>Kansas State University</i>	<i>Manhattan, KS</i>

These four stops are just the beginning, with additional dates and locations to be announced in the coming weeks. Each stop provides a unique platform for students of all backgrounds and points of view to ask questions, challenge liberal bias in academia, and engage with conservative perspectives. Best of all, those who disagree will be invited to the front of the line to disagree, argue, and debate the speaker.

Sponsored in part by Turning Point Action and coming to a campus near you, tickets for “You’re Being Brainwashed Tour” are available at **BrainwashedTour.com**.
