*"Turning Point USA's grassroots success is only possible thanks to the decade-long financial support of passionate and patriotic Americans who, by their unwavering generosity, allow us to produce educational materials and nationwide training for our young student activists—the core of our conservative movement and the future of American leadership. Turning Point USA's next ten years—and the future of America—are in the hands of young, active, and trained patriotic student leaders, all thanks to our grassroots financial supporters who believe in Turning Point USA."*
